DETERMINES
ALTITUDE**

LIVESTOCK TEAM MEMBER

Join the Kerin Poll team and play a key role in driving the future success of Australia's fastest growing Merino stud.

If you're looking to work in a business with a positive and progressive culture, this job is for you.

If you want to be challenged and better yourself, this is the job for you.

If you want to develop your skill base and learn a variety of skills that you don't even know that you don't know yet, apply for this role.

Genomics, AI/ET, ASBVs, pasture budgeting, the art of matching stocking rate to carrying capacity in a highly variable climate - we do it all.

Plus we do cattle trading too, and all in state-of-the-art livestock handling facilities.

If you're not punctual and find it difficult to work in an energetic team environment, you need not apply.

If you're messy and unorganised, don't apply for this job.

This job isn't just for one - it's for you and your team ... of competent working dogs (we value them highly too!).

At Kerin Poll, our attitude determines our altitude.

Come join us on this exciting ride!

Introduce yourself by emailing Nigel and Kate Kerin: kerinag@bigpond.com.

Interviews to follow.
